

HSWC - SELF-CONTAINED HYDRAULIC WIRE ROPE CUTTERS

Cutting capacities from 19 to 44mm diameter

Strong rigid steel construction

Easy to use with minimum operator effort

The Hi-Force range of self-contained portable hydraulic wire rope and cable cutters comprises of three models with cutting capacities from 19 to 44mm diameter. Approved and specified by many major industries throughout the world, these high quality cutters are precision engineered to give a good, clean cut with minimum effort, time after time. The self-contained design of the cutter enables easy transportation to the job site with minimum of fuss. The shear blades are manufactured using high quality tool steel, which is heat treated and ground to very tight tolerances, ensuring superior performance and long-life. Customers include wire rope manufacturers, earthmoving and construction contractors, rigging shops, elevator manufacturers and repairers and many others. Also suitable for use under water by divers.
