

Our product line -n is designed for the use in clean rooms in industry sectors like chip manufacturing, food processing and pharmaceutical and chemical industry.

Typ V5-n
Model V5-n

Anwendungsbeispiele
Field of application

Volltraglast <i>full load capacity</i>	50 kN (5 t)
Arbeitsdruck <i>working pressure</i>	520 bar
Kleinste Ansetzhöhe mittels Sicherheits-Hebelasche <i>minimum loading height using safety toe</i>	15 mm
Hubhöhe <i>lifting height</i>	140 mm
Verstellbarkeit der Sicherheits-Hebelasche <i>adjustable range of safety toe</i>	3 x
Ansetzhöhe mittels Kopfplatte <i>loading height using top plate</i>	252 mm
Außenmaße (L x B x H) <i>overall dimensions (L x W x H)</i>	266 x 212 x 252 mm
Eigengewicht mit Ölfüllung <i>tare weight incl. oil fill</i>	21 kg
